CoreSite to be Featured at PTC 2025

Executive Panel Discussion to Highlight the Impact of AI and the Future of Digital Infrastructure

DENVER, CO - (January 16, 2025) - [CoreSite](#), a leading hybrid IT solutions provider and subsidiary of American Tower Corporation (NYSE: AMT) (“American Tower”) will participate in the upcoming [Pacific Telecommunications Conference 2025](#) January 19-22 at the Hilton Hawaiian Village Waikiki Beach Resort in Honolulu, Hawaii. The annual PTC event provides a strategic springboard to focus on planning, networking and discovering what lies ahead for the digital infrastructure, information and communication technology, and telecommunications industries.

PTC will host the “AI Impact and the Future of Digital Infrastructure” panel discussion featuring CoreSite CEO and President, and American Tower SVP, Juan Font, as well as executives from Inova, BDx, OCOLO and Scala Data Centers. The panel will be held on January 20, from 3 p.m. to 3:45 p.m. HAT in the MPCC, Coral 2 Room.

In addition, PTC will host a Lightning Talk highlighting the current industry topic “Harnessing the Power of Connectivity to Accelerate Technology Advancements” with CoreSite’s Vice President of Business Development and Solutions Architects, Brian Eichman, on January 19, from 12:15 p.m. to 12:25 p.m. HAT in the MPCC, Coral 3, 4 and 5.

CoreSite is a primary sponsor of the annual PTC-W: Women’s Reception where Maile Kaiser, CoreSite CRO, and Megan Ruskowski, CoreSite VP of Marketing and Sales Development, will join their industry peers to network at the Ali’i Tower, Ali’i Pool Terrace, Mix Bar, 2nd Floor on January 21, from 5 p.m. to 7 p.m. HAT.

CoreSite will also host the conference’s annual networking event with American Tower, Schneider Electric and Kio Data Centers on January 21 on the Village Green at the resort from 7 p.m. to 9 p.m. HAT. PTC 2025 participants can schedule on-site meetings with executives from CoreSite throughout the conference.

About CoreSite

CoreSite, an American Tower company (NYSE: AMT), provides hybrid IT solutions that empower enterprises, cloud, network and IT service providers to monetize and future-proof their digital business. Our highly interconnected data center campuses offer a native digital supply chain featuring direct cloud onramps to enable our customers to build customized hybrid IT infrastructure and accelerate digital transformation. For more than 20 years, CoreSite’s team of technical experts has partnered with customers to optimize operations, elevate customer experience, dynamically scale, and leverage data to gain competitive edge. For more information, visit CoreSite.com and follow us on LinkedIn and X.

Forward-Looking Statements

This press release contains statements about future events and expectations, or “forward-looking statements,” all of which are inherently uncertain. We have based those forward-looking statements on management’s current expectations and assumptions and not on historical facts. These forward-looking statements involve a number of risks and uncertainties. For important factors that may cause actual results to differ materially from those indicated in our forward-looking statements, we refer you to the information set forth under the caption “Risk Factors” in Item 1A of American Tower’s most recent annual report on Form 10-K, and other risks described in documents American Tower subsequently files from time to time with the Securities and Exchange Commission. Neither we nor American Tower undertake any obligation to update the information contained in this press release to reflect subsequently occurring events or circumstances.
